Practical Support
13 11 20

Cancer Council Queensland

works to promote the simple measures people can take to protect themselves from cancer and maintain their health for life.

These measures include quitting smoking, being SunSmart, having a healthy diet, maintaining a healthy weight and participating in cancer screening as recommended.

A confidential phone service staffed by registered nurses and health professionals provides information and advice on all aspects of cancer.

Phone 13 11 20 from Monday to Friday, 8am – 6pm.
