

BOWEL CANCER AWARENESS

Members of the Allied Health Professionals Oncology Group and their colleagues are invited to a Cancer Council Queensland education forum

Guest speaker:

Dr Paul Mainwaring M.B.B.S (Syd), M.D. (Lond) F.R.A.C.P
Associate Professor of Medicine, University of Queensland
Consultant Medical Oncologist

Consulting at Haematology and Oncology Clinics Australia

Topic: “Colorectal Cancer – Current treatments and care”

The objectives for this session:

- Describe current screening and detection methods in colorectal cancer
- Describe current statistics and treatment choices
- Outline current prognosis trends
- Describe support networks that can be utilised in their care
- Describe ways that Cancer Council Helpline can assist in information and support to patients and families being treated for bowel cancer.

This forum is suitable for any health professional with an interest in bowel cancer

Date	Tuesday 21 st June
Time	1130-1230
Venue	Cancer Council Queensland Auditorium, 553 Gregory Terrace

Please RSVP to Jackie or Angie on the Cancer Council helpline 13 11 20
